

## Who we serve

We offer remote library services to Dudley Council staff, Sandwell Public Health and Registrars

# KNOWLEDGE SERVICES: THE STATS

 **APRIL 23 – MARCH 24**

### 105 Twitter followers

This is a 0.9% decrease on last year

### 38 Library members

Across Dudley and Sandwell sites. This has remained the same as last year.

### 22 Journal articles

This has remained the same as last year.

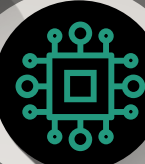

### 31 Randomised Coffee Trial participants

This is a 94% increase on the last event in 2022.

### 32 book loans

39% increase on last year. \* Stats taken from Circulation statistics for month and year for a selected branch (checkouts)

### 52 Health News Digests

44 people are signed up to receive the Health News Digest directly to their email. This is a 6% decrease on last year.

### 36 Evidence Searches

10 for Sandwell Council Staff, 21 for Dudley Council Staff and 5 for Public Health Registrars. This is a 3% decrease on last year but includes one evidence briefing which is a more substantial piece of work.

### 1,506 hits to our All About Dudley pages

This includes all website pages. Not comparable to last year when we only looked at current awareness pages.

### 47 staff trained

This is a 27% decrease on last year. Training includes Randomised Coffee Trial participants.
